# Target dates for big Museum Celebration

If you haven't visited the Medina County Museum since Museum Day, 1973, you'll find that many changes have been made when you return for a visit on Museum Days, May 4 and 5, 1974. The Hondo Garden Club will be hostess to the public from 8:30 a.m. Saturday until 6 p.m. and on Sunday from 2 p.m. until 6 p.m.

**SATURDAY, MAY 4**  
Beginning at 11:00 a.m., festivities of Museum Day will get under way at Hondo City Park on Tarpley Road with an open air concert by the Hondo Owl Band directed by Billy Harrell, who knows how to make every

instrument and its player produce prize-winning music. If you are in seeing range watch the toe-tapping that goes on as the young artists put heart and "sole" into each performance.

**Just In Case**  
Usually, the weatherman cooperates on Museum Day, but just-in-case rain takes over, the festivities will be moved back to where they started from-the Hondo National Guard Armory and the Museum complex at 11 a.m.

**Bread Contest**  
Everything you knead to know, just ask Pop and Mom (Mr. and Mrs. F. H.) Hollmig, who are in

charge of the Homemade Bread Baking Contest. Entrants are registering now and include some of the area's young folks who plan to get a rise out of something besides eyebrows. Bread baking categories include Light, Dark, Sweet, Assorted Breads, and a Children's Division through 12 years of age.

**Chili Cook-Off**  
A hot time for everybody with asbestos-coated tongues is being predicted by Judy (Schuehle) Schumann, who is chairman of the event. Enthusiasm is running with chili-bated breath over who will be champion this year. If you want to try your skill, contact Judy for details and get ready for the pre-Museum Day party May 3.

**Booths, Games**  
On the grounds, under the spreading Live-Oak trees, you might even find a village blacksmith-if a volunteer smithy can be found. You'll also find clowns, a fortune teller, fish pond, darts, pony rides and other attention getters.

There will be sandwiches, hot dogs, chili pies, cupcakes, homemade candies, ice cream and soft drink booths.

At 5:30 p.m. a barbecued chicken meal will be served and there will be plates to go. Tickets at \$2.00 each are now on sale. The voice of the experienced in the meal is, "Get your tickets and line up early before the last drumstick is gone!" Bunuelos will be made, fresh, and sold on the grounds. In charge of this booth will be Mrs. Ralph Tapia and her corps of assistants. Eating a bunuelo, a very crisp sweet cake that is a part of every Mexican fiesta, will make a sleight-of-hand artist out of you, and an addict for life.

**Square Dancers**  
At some time during the day, square dancing will be featured by the popular Country Squares, stepping to the caller's routine. This contribution to the day's festivities always draws a big crowd.

**Art Show**  
Talented artists from the areas surrounding Medina County will display attractive offerings. Mrs. Alton (Betty) Haile is in charge and has had a good response from interested artists.

**Country Store**  
"A wide variety of merchandise will be offered," says Mrs. F. J. DeGroot, president of the Home Demonstration Club speaking for the members who sponsor this booth. The Country Store is where you'll find almost everything from Antimacassars to Zwiebach.

**Purple Petticoat**  
A night club atmosphere will pervade the day's and night's fresh-air-by-Nature event. A purple petticoat will mark the exact location so you can't miss it. Come prepared for a day and evening of fun. This activity is sponsored by the D'Hanis Lions Club.

**Piggy Banks**  
Plan also to get in on the bidding on fattened piggy banks at the auction which takes place in the Purple Petticoat in the evening. The pigs' interiors will contain some surprise cash-value vitamins, and the bidding should be brisk.

**Crafts**  
One of the booths will offer crafts by Iris, featuring rag dolls, wood burning art featuring scenes in Medina County, and tin novelties. Iris Bader, who is the artisan, will be assisted by Lisa Blassing and Didna Noonan.

**Helpers**  
Nearly all civic clubs in Hondo are assisting the Museum Board in making this the best Museum Day ever. Youth groups such as 4-H, FFA, FHA, Rainbow Girls, Boy

## Coach Carroll helps out in emergency

A Hondo High School coach may have been responsible for saving the life of a young Uvalde baseball player Monday in Uvalde.

Larry Carroll, Junior Varsity baseball coach in Hondo, was beginning pre-game warmups at about 3:40 p.m. Monday in preparation for a 4:30 game with Uvalde at Tom Bond Field.

Meanwhile, a group of Uvalde players had arrived at the field early and were occupied in trying to

dislodge a ground squirrel from a 30-foot section of irrigation pipe.

As five boys lifted the pipe, it came in contact with a high-voltage line and all five were knocked to the ground.

Two of the boys, Carlos Guevara, 17, and Leandro Esparza, 16, were badly burned and Guevara was knocked unconscious.

When Carroll arrived on the scene Guevara had no discernable heartbeat and was not breathing. Carroll and Uvalde Coach Jimmy Reed, who had arrived just as the accident occurred, applied mouth-to-mouth resuscitation and external heart massage to revive the youth. In a short while he regained consciousness.

Both Guevara and Esparza suffered third-degree burns on the soles of their feet, and Guevara had additional burns on his hand.

The boys were taken to Uvalde Memorial Hospital where they were treated and later released.

## New football coach hired

Hondo High School's new Head Football and Track coach will be Jessie David Howard, 41, of San Marcos.

Howard was hired by the Hondo Independent School District Tuesday night in the regular Board of Trustees meeting.

Although he has been in San Marcos schools since he started his coaching career in 1959, Howard is an area native. He was born February 24, 1933 in Con Can.

Attending Sabinal schools, he graduated in 1951. He served two years in the U.S. Army, with overseas duty in Europe.

Howard holds a Bachelor of Science degree from Southwest Texas State University in San Marcos (1959) and a Master of Education degree from Our Lady of the Lake College (1970).

He is a life member of the Texas State Teachers Association, Hays County Teachers Association, Texas Association of Secondary Administrators, Optimist Club, and the Texas and American Hereford Association.

He is married, and has one high school-age daughter. He and his family are members of the Christian Church.

Howard began his coaching career in San Marcos Junior High in 1959, and served there until 1964.

Between 1964-73 he was in the 4-A San Marcos High School coaching staff, taking the head coaching job in 1967.

Two members of the Hondo Familias Unidas group were found guilty Thursday in the court of Judge Harold Herring of "disrupting classes in Hondo schools and enticing students to leave classes".

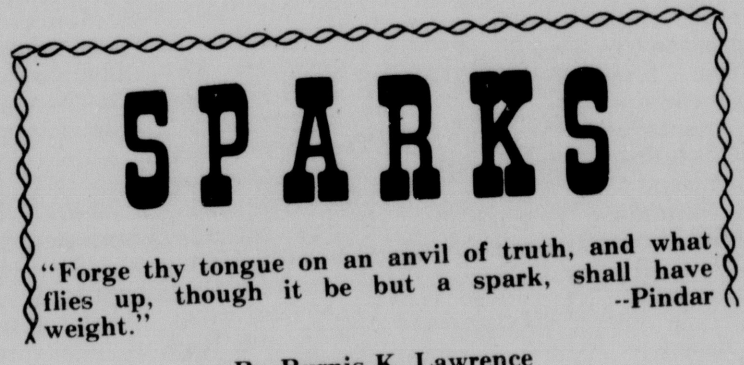

A third woman charged with similar offenses was found not guilty by the judge.

She was Mrs. Irma Torrez, who also was a candidate for the Hondo School Board.

## ELECTION RESULTS

. . . are self explanatory this week as local citizens voiced their belief in the operation of the schools and the city.

They spoke in a rather loud voice against radical changes. However, I suspect they would speak just as loudly if officials feel this was a mandate to do nothing.

Our schools have made many changes for the better in the past two years and I feel Supt. Kenneth Flory and the school board will continue to press for those improvements that make a progressive school.

I am not always as certain about the pressing applied on progress by the City Council, but they do keep the ship on an even keel and I do feel they will come up with some much needed projects within the next year or two as they are needed.

One thing is certain. Progress is never obtained by complete disruption. And I feel we have avoided that for the present through the sincere concern of most of our citizens.

## PARI-MUTUEL BETTING

. . . in Texas will get another test from the public at the May 4 primaries, both Democratic and Republican. Again the people will vote yes or nay on a referendum asking their opinion on the subject.

A fellow newspaperman, George Hawkes of Arlington, has mailed out a several page blast against what he terms as "legalized gambling."

I can't say that I agree with George and the "aginners", not on all points anyway. I personally do not want to gamble on horses, football, or any other sport. But if someone else wants to do so that is his business.

And if you think that gambling isn't already going strong at all at race tracks in Texas then you have another thing coming. Money changes hands going and coming.

So, I ask, what is wrong with making it legal and allowing the state to collect some taxes off the gambling that is already going on?

I was told last week that during the last time pari-mutuel betting went before the public in Texas the gambling interests in New Mexico poured some \$2,000,000 into Texas to fight the proposition. That's natural, for they get many times that much annually off Texas residents who make the New Mexico race tracks.

To keep that money at home and help alleviate the present over-burdening tax picture, pari-mutuel betting could be the answer instead of a state income tax.

I'm willing to give it a try, just like I was willing to give liquor-by-the-drink a try and I don't think it has caused that much havoc.

## JACK WINKLER

. . . is observing his 23rd year out at his automobile supermarket and invites all to come out and say hello. . . and drink a coffee on him.

Over the period of 23 years there is no doubt in my mind but that Hondo has benefited greatly from the presence of Jack Winkler and all his fine folks on Highway 90. I wish them much success and many more anniversaries with just one thought: "don't let the coffee pot run dry."

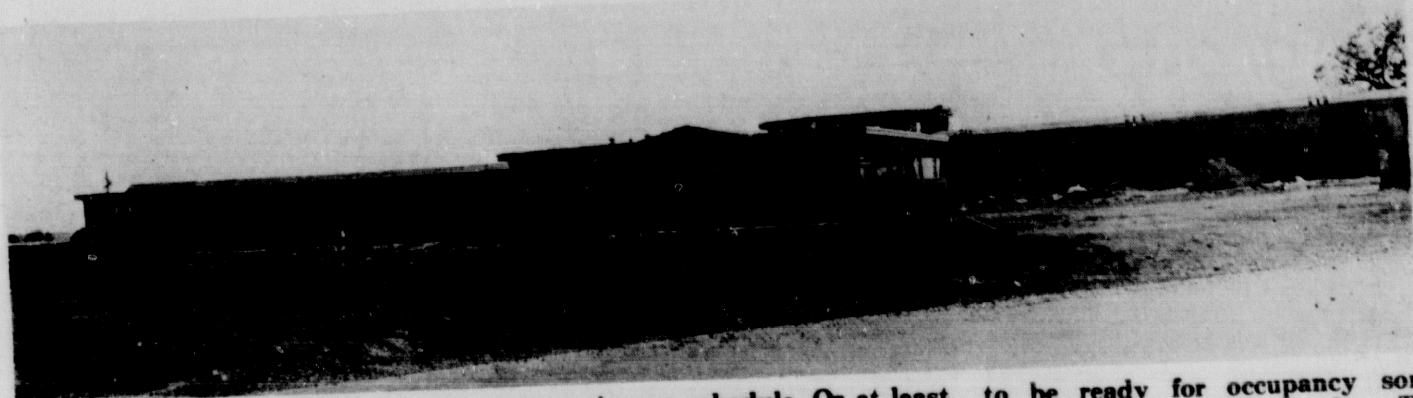

## DAVID MCGRAW

. . . has a problem. It's really a company problem that is giving David a little trouble.

The company has a new name. It's now Entex, Inc. and David says after 12 years of saying "United Gas" it's just mighty difficult to answer the phone by saying "Entex."

But being a resourceful young man, David will overcome the problem. I'd bet on it.

## Council hears TV cable group

In 1964, as line coach and assistant track coach, his football team was a State finalist.

In 1965 the football team was in the State semi-finals, and the track team was State runner-up.

In 1966 he helped coach the football team to the semi-finals and as Head Track Coach his team was again State runner-up.

From 1967-72 he was Head football coach and Athletic Director. As such he has a record of 42 wins, 17 losses and one tie, including a district co-championship.

As Head Track Coach for three years, he won three district championships, a Regional championship, and a State Runner-up.

This year he served as Assistant Superintendent of San Marcos schools, his first year out of active coaching.

Hondo Superintendent Kenneth Flory announced that all assistant coaches will be re-hired including head basketball and baseball coaches, but Howard will head up the football and track programs.

The Hondo City Council heard a proposal Tuesday night which may bring cable television to Hondo.

Lemuel Finley, representative of Aldelcom, Inc., a Fort Gibson, Oklahoma corporation, appeared before the Council with a program for bringing television stations from as far as Laredo and Galveston into Hondo homes.

The company, which has recently expanded into Texas and other southwestern states, is also working on similar plans in Dilley, La Pryor, and Bastrop in addition to Hondo.

Finley estimated that a total of ten to twelve channels could probably be brought to Hondo. Final approval for bringing any channel into Hondo would be by the Federal Communications Commission, but Finley said he sees no problems in approval.

The system would include a tower between 75 and 300 feet tall,

with an antenna for each channel desired. Signals would then be filtered and amplified, then transmitted to televisions in homes via wire. No external antenna would be needed on the television and no modifications would be necessary on the set itself.

Finley indicated that installation fees would be \$10, and monthly fees would be \$5.95.

The company would pay the City of Hondo 3 per cent franchise fee annually from proceeds, plus a percentage of sales tax.

Additionally, a camera would be provided for broadcasting public service or educational programs locally on a channel not used by the stations on the cable.

The Council took the proposal under study, and will meet next month to consider passing an ordinance allowing the corporation in Hondo.

### May 6 absentee votes start

Interest in the May 4 primaries might be lagging now but it could pick up come Monday when absentee balloting begins on all races.

Voters may obtain absentee

ballots by writing the County Clerk at Hondo or by going by his office at the Courthouse.

Deadline for casting absentee votes will be Tuesday, May 1.

### Foster Children week

Judge Jerome H. Decker has designated March 31 to April 6 as Medina County Action for Foster Children Week, as part of the national observance that has been proclaimed by the President of the United States.

The purpose of this week is to bring the needs of foster children before the people in hopes that citizen concern will be effective in seeing that foster children are guaranteed the same basic rights that most other children enjoy. These include a loving home, decent clothing and food, a good education, adequate medical and dental care, equal treatment under the law.

Stable, loving foster homes are needed throughout the state to insure that all children in need can

be provided an appropriate temporary home. Through no fault of their own, the home life of these children is broken. Understanding foster parents working with social agencies can help undo the potential damage of this shattering experience.

In this area the State Department of Public Welfare certifies and supervises foster homes. The local Welfare office can provide additional information for anyone interested in the Foster Care Program.

Welfare representative in Medina County is Ronald Presnell, who has an office in the Medina County Courthouse.

He may be contacted at Box 220, Hondo, Texas, 78861 or by calling 426-2632.

## City Electric warns of rate hike

City of Hondo electric rates may rise in the future, according to a report issued at Tuesday night's regular City Council meeting by Electric System manager Gene Harrison.

Harrison received a letter dated April 4 from J. K. Harz, Manager of Customer Accounts of San Antonio's City Public Service Board, detailing a proposed rate increase due to higher material and fuel costs at the San Antonio supplier's plant.

The increases will be subject to review and approval by the San

Antonio City Council, which regulates the utility. Harz indicated he expects the Council to act in the near future.

To Hondoans, the rate increase is necessitated by an increase in the City Electric's basic bill of \$67,564.63. That increase could not be passed on to the consumer without a rate adjustment. The percentage over present costs is about 8.1 per cent.

The Council took the warning under advisement, but took no action at this time pending action by the San Antonio City Council.

## School Board hires new teachers

The Hondo School Board of Trustees elected several new teachers Tuesday night and also accepted resignations from others.

Among those hired for the 1974-75 school year are Mrs. Helen Grantham, Elementary P.E. teacher; Miss Diane Schulte, Elementary or Special Education; Mrs. Annette Nixon Milam, Secondary English; Mr. Jessie David Howard, Counselor and Head Football Coach; Mrs. Jessie David Howard, Kindergarten; and Mr. Eric Haas, Special Education Counselor.

The Board accepted resignations from Mr. and Mrs. Dennis Smith (Mr. Smith is Assistant Band Director); Mr. Thomas Toner, Special Education Teacher; and Mr. Edward Tarrant, Elementary P.E. Teacher.

In other action, the Board approved use of the McDowell Middle School gymnasium for the Summer Recreation program this year. The Lacy School gym, used in past years, has been modified for use by the High School's building trades classes.

### Sigma Tau plans dinner

The April meeting of Epsilon Sigma Alpha's Sigma Tau was held at the home of Mrs. Thelma Winkler with Mrs. Madis Keath assisting as co-hostess.

A very interesting program and demonstration on proper make-up application was given by Mrs. Carolyn Glowka. Mrs. Barbara Bohls was the

model. Plans were set for the progressive dinner to be held Saturday, April 20th, at 7:30 p.m. Beginning at Mrs. Mary Bendele's home for appetizers, then to Mrs. Lana Hauger's for salad, Mrs. Ann Peden for chicken barbecue and dessert at Mrs. Emily Cowan's home. The Tupperware party

will be held at Mrs. Beverly Gruber's home Wednesday, April 24th, from 3 to 6 p.m. The sale is to benefit the Easter Seal Society and St. Jude's Hospital. Orders can be placed with any Sigma Tau member. The meeting ended with delicious homemade ice cream, fresh peaches and strawberries and tea.

## Museum Day activities

Scouts, Camp Fire Groups are among those who will do their part in seeing to it that all visitors have a good time.

**Dance**  
Following Saturday's daytime activities, Tony Koch and the Country Squires will provide toe-tickling music for a swinger of a dance, on the City Park grounds, beginning at 8:30 p.m. and winding up when fiddle strings pop or shoe leather wears out.

**SUNDAY, MAY 5**  
Big feature of the day will be the auction to be

held in the 4-H Barn at the Airbase, next door to the Hondo Livestock Auction Company's offices.

Sale will start at 1:00 p.m. on Sunday. Museum President Frank Graff and his assistants have been gathering a good assortment of items for sale. Clock buyers will find some attractive time-tellers. Furniture, lamps and glassware are only a few of the articles to go on the auction block.

Auctioneers will be Frank Helvey of Hondo, Potsie Groff of Bandera, and Calvin Foster of Devine. All have a humorous twist to their auction spiel that will make your afternoon enjoyable. To make it more enjoyable, soft drinks will be on tap.

The facilities of the Hondo Livestock Auction Company have been offered to the Museum Board for Sunday, and office personnel of the Auction Company have volunteered their services to help Museum workers make the sale work efficiently.

The Museum will be open from 2:00 to 6:00 p.m.

**Y'all Come**  
There is a lot of elbow and leg room at Hondo City Park. The City has been working hard to enlarge, improve and get the grounds ready for Museum Day. Newly shined cowboy boots should escape scuffing and any dust that settles will slide right off. For the sandaled, free-toed among those present, the added room should insure against being trampled on.

No vehicles, except those necessary to administration, will be allowed on the grounds where the booths and other activities are set up. The Medina County Sheriff's Posse and Boy Scout Troops will assist motorists on the grounds and in the parking areas.

On Sunday, the Auction Sale will be under roof, with plenty of room to park vehicles in the surrounding area.

Bring your appetite, a big smile and good will for May 4-5, but above all, bring money, and plan to have a wonderful time.

## Legislators support Poerner

AUSTIN -- Two state legislators have jumped on the campaign bandwagon of 21st Congressional District candidate John H. Poerner of Hondo.

Announcing their endorsement of the Medina County rancher and businessman were Reps. Tom Massey of San Angelo and Hilary Doran of Del Rio, both of whom represent key areas in the sprawling 32-county district.

In announcing his support of Poerner, Massey told the San Angelo Standard-Times he is convinced the Hondo legislator "is the best man to represent the district."

Doran is working active-

ly in the campaign, serving as one of Poerner's advisors and as legal counsel.

### PARKER CREEK

Dedication ceremonies are set for Saturday, April 20, for the recently-completed Parker Creek Dam.

The flood-control and recharge structure spans the Parker Creek about ten miles north of D'Hanis on the Odie Gilliam ranch. Ceremonies will be held at 10:30 a.m.

A special gauge will be installed to measure the loss of water to the underground reservoir which will enable the District to accurately determine the increase in recharge.

## Poerner' proud of 'zero'

AUSTIN -- State Rep. John Poerner, who received a "zero" grade from the Texas Civil Liberties Union on his Constitutional Convention voting record, termed the rating "the best I could possibly get."

### Iota Upsilon

Mrs. John H. Jennings and Mrs. Norman Buescher hosted the regular monthly meeting of Iota Upsilon Chapter of ESA on Tuesday, April 9, at 8 p.m.

Poerner, who lists himself as a political conservative, is a candidate for the Democratic nomination in the 21st District Congressional race.

"I've reached the ultimate in flunking TCLU's test, and I'm proud of it," Poerner said.

The Hondo rancher-businessman was listed as having voted against TCLU views on 11 issues. His only Congressional opponent who is a delegate to the Constitutional Convention supported TCLU on five of the issues.

## Dominguez selected

Ernesto Dominguez, son of Mr. and Mrs. Jesus L. Dominguez of Hondo, was selected to attend the 1974 Southwestern Life Youth Leadership Institute in Dallas. Dominguez was nominated by University of Texas officials because of his high scholastic standing and demonstrated leadership potential. He's a sophomore sociology major at the school's Austin campus.

## Attend conference

Action must be taken now to help and encourage young farmers and ranchers as well as older farmers and ranchers. With all the high rises involved in farming and ranching the young and old can be discouraged in their efforts.

Farm Bureau is an organization which helps to educate the members and enable them of effectively discovering methods to improve agriculture. The Young Farmer and Rancher Committee has been established within the Farm Bureau with the purpose to give young farmers and ranchers, couples and single young men and women better understanding of how they can work to solve agricultural problems.

Donna Wernette has been selected as a member of the Young Farmer and Rancher State Committee over District 10. Some of her 17 counties include Bexar, Bandera, Kerr, Dimmitt, Real, Uvalde, Kendall, Atascosa and Medina. As such she and her husband Eddie attended the National YF&R Conference in Orlando, Florida. Eddie is chairman of the YF&R in Medina County. Donna and Eddie live near Tarpley.

On March 23-25 Donna and Eddie Wernette and Stella Mumme attended the State YF&R Conference in Waco. There was enthusiastic participation from couples and single young farmers and ranchers through the state. This is definitely a group who

are identifying common interests and problems and who are taking action and steps to improve the situation. Any young farmer or ranch couple or single young farmer or rancher under 30 years of age who are interested in the activities of YF&R can contact Donna or Eddie Wernette, P.O. Box 25, Hondo, Texas 78861, phone, 512-562-3261.

The YF&R is sponsoring their Outstanding Farmer and Rancher Award. Applicants must be a member of Farm Bureau, actively farming, or ranching, and the husband must not be over 30 years of age. Also, they are sponsoring the Discussion Meet to be held at the annual county convention. An applicant should be a member of the Farm Bureau or a Farm Bureau family and 17-30 years of age. For further information contact your county Farm Bureau Office.

## All she wrote

by Edna McDade

Hondo's purple martin itinerants and the ubiquitous sparrows are waging the traditional Martins and McCoys feud in mountain boys warfare. It is touch and go all day long at the two-story martin-house in Sally's backyard and I spend time at the kitchen window as an amused spectator.

I can't interpret the epithets exchanged but they might not even be fit for a lady's ears. The emphasis on certain expostulations is unmistakable!

By late evening, the sparrows give up. Martin families gather for an exchange of gossip and a recap of the day's experiences. Imagination does not require too much stretching to hear amused chuckles.

The twittering volume lessens, the younger generation is swooshed off to bed and the mamas and papas follow. Probably with visions of the next day's mosquitoes flying through their glossy-feathered heads.

My Hondo visits always include a few hours spent at the Anvil Herald office when part of the pleasure is to "live in the past" through the browned and brittle pages of long-ago issues.

This time, I found a review of a then-current movie [Feb.-1923] which was being shown at the Star Theatre. It was no Exorcist but it had its moments. Here is the review, verbatim:

"THE SIN FLOOD is a story of a crowd of crooks who are all beating each other out of money.

"The story takes place in a restaurant. One day, a cloudburst hits the city and all know that it will result in a flood. All the characters assemble at the town's restaurant and begin bolting the flood doors on.

"There are all classes of people who go down into the cellar to keep out of the flood, including a minister and a scientist. The scientist determines just how long they will be able to last with the air that is in the cellar.

"Suddenly, the lights go out and, when they hear a noise, they know that the flood has hit them. They live on until the air is all gone.

"Then they all begin confessing to each other. They tell that they have been cheating one another. They are all getting very weak.

"Finally, they decide to open the doors and, lo and behold, there is the sun shining outside!"

Talk about suspense! And see what you missed by not having been among the audience in February, 1923?

The sound of children's voices at play on a school playground always recaptures for me the days of my own experiences as a teacher in the early 19-teens.

I crossed the street to visit a few minutes with KATHLEEN FINGER who was on look-&-listen duty for the noon hour. Children gathered 'round and we immediately became friends. I made note of a few names of pupils in Grade 1-C: SANDY, LUPE, TOBY, CAROLYN, SYLVIA, JIMMY.

Everybody joined in on the chorus. When I asked one boy, full of typical boy-energy, what he intended to be when he grew up, the conversation went like this:

"I'm gonna be a policeman." ..... Why? I asked...

"Oh, so I can get a pistol and a club and put the bad people in jail."

When I asked if he would put me in jail, his answer was all heart: "Oh, no, not you because you are old. You, I would pull out of the jail!"

Maybe not the essence of chivalry, but all heart, for sure!

It was good to see the return of the popular Taylor-Chapman rain map to these pages a few weeks ago but, if Doc is still in direct communication with the rain manufacturing department upstairs, most Medina County farmers are probably ready for a return performance.

Years can go by mighty fast in business, especially if the venture turns out successfully. Two local firms have made progress that has warranted additional expansion and this speaks well for their faith in this community.

Five years as a "starter" made possible FRED GRAFF's recent anniversary sale which offered some real bargains and some mighty tempting prizes. By now, somebody must be wearing a brand new suit, new Nocona boots and a Resistol hat, all for free. Lucky folks!

For HAROLD and GLADYS MOEHRING [True Value Hardware] ten years of hard work and a determination to please customers, have brought them from a small general hardware store to the present operation.

Their newly remodeled and redecorated store is now in the real up-town class. Look for their opening announcement soon.

A pleasant surprise greeted me early one drab and dreary morning last week when I found a small bouquet of pink rosebuds on the doorstep with this note: "How beautiful a day can be when kindness touches it!"

Even before I read the note, I knew the gift came from GLENA REILY who shares such gifts so generously. Kindness had touched my day.

If you have heard this one, it won't hurt to read it once more: "There is little chance for people to get together as long as most of us want to be in the front of the bus, the back of the church and the middle of the road."

Add to signs of the times this one from a Houston laundry: "Streakers' uniforms cleaned free." Sounds like a bare-gain.

Hondo Public Library opened its doors on April 17, 1967, and will soon observe its Seventh Anniversary. In honor of this occasion the library has purchased and placed on its shelves ten new books marked "Seventh Anniversary Book," according to Lottie Maw, librarian.

These books are Mark Twain's Library of Humor, Mexico by Erico Verissimo, Battles of The American Revolution [1775-81] by Henry B. Carrington, Gundogs for Field or Trial by Roy B. Burnell, Dreams of Em-

pire by John Edward Weems, North American Indian Mythology by Cottie Barland, Roy Bean by C. L. Sounichsen, Quilting As A Hobby by Dorothy Brightbill, Tennis by Pancho Gonzales and Pickles and Preserves by Marion Brown.

The writer apologizes to Mrs. Mark Marshall, formerly Irene Saathoff, for mistakenly listing her name as Mrs. Mark Sanders in the previous Library News column.

Also, the correct date of National Library Week is April 21-27, and not as stated in former story.

A cash donation from Mrs. Albert Saathoff was given to the Library recently.

Donations of magazines were received from Mr. and Mrs. O. M. Redus, Mr. and Mrs. P. L. Cowan, Mrs. Mildred Teague, the Paul Reilly family, Mrs. John Farley, Mrs. Louise Taylor and Mrs. Oscar Batot.

Other gifts have come from Mr. and Mrs. Norman Buescher, magazines and paperbacks; Louise Landers, paperbacks; Debbie Perez, paperbacks, and Mr. and

Mrs. Alfred Raeger, books. The new Literary Guild selection is Flowers, Space and Motion by Helen Van Pelt Wilson. This is a new design in hanging flower arrangements.

Magazines were donated by Mr. and Mrs. O. M. Redus, Mrs. Leila Laughinghouse, the Paul Reilly family, Hon. and Mrs. John H. Poerner, Martin Noonan and Barbara Weems.

More contributions were received from William Saathoff Jr., Reader's Digest "Best Loved Books for Young People"; Mr. and Mrs. Norman Buescher, paperbacks and magazines; Judy Winkler, "The Cosmo Girl's Guide to the New Etiquette"; a one-volume edition of the Columbia Encyclopedia from Mrs. Clift and paperbacks from Mrs. W. B. McWhirter.

The library is very pleased that some readers are returning their overdue books, but too many books are still out. Please return them. Regular library hours are 11:30 a.m. to 5:30 p.m., Monday through Friday, or make use of the bookdrop at any hour.

Hondo's purple martin itinerants and the ubiquitous sparrows are waging the traditional Martins and McCoys feud in mountain boys warfare. It is touch and go all day long at the two-story martin-house in Sally's backyard and I spend time at the kitchen window as an amused spectator.

I can't interpret the epithets exchanged but they might not even be fit for a lady's ears. The emphasis on certain expletives is unmistakable!

By late evening, the sparrows give up. Martin families gather for an exchange of gossip and a recap of the day's experiences. Imagination does not require too much stretching to hear amused chuckles.

The twittering volume lessens, the younger generation is swooshed off to bed and the mamas and papas follow. Probably with visions of the next day's mosquitoes flying through their glossy-feathered heads.

My Hondo visits always include a few hours spent at the Anvil Herald office when part of the pleasure is to "live in the past" through the browned and brittle pages of long-ago issues.

This time, I found a review of a then-current movie [Feb.-1923] which was being shown at the Star Theatre. It was no Exorcist but it had its moments. Here is the review, verbatim:

"THE SIN FLOOD is a story of a crowd of crooks who are all beating each other out of money.

"The story takes place in a restaurant. One day, a cloudburst hits the city and all know that it will result in a flood. All the characters assemble at the town's restaurant and begin bolting the flood doors on.

"There are all classes of people who go down into the cellar to keep out of the flood, including a minister and a scientist. The scientist determines just how long they will be able to last with the air that is in the cellar.

"Suddenly, the lights go out and, when they hear a noise, they know that the flood has hit them. They live on until the air is all gone.

"Then they all begin confessing to each other. They tell that they have been cheating one another. They are all getting very weak.

"Finally, they decide to open the doors and, lo and behold, there is the sun shining outside!"

Talk about suspense! And see what you missed by not having been among the audience in February, 1923?

## "M-44 experiment hailed by Poerner

**AUSTIN.** -- A U.S. District Court decision that will allow 44 Texas counties to participate in the experimental M-44 coyote control program was hailed Wednesday as a victory for the state's ranchers by Rep. John Poerner of Hondo.

"This is great news for our ranchers. Predators are costing them thousands of dollars a year, and they must have some type of control to stay in business. If environmentalists and government bureaucrats would buy a sheep or goat ranch, they'd change their minds about predator control,"

Poerner said. The Medina County rancher and businessman is a candidate for Congress from the 21st District, which includes much of the West Texas area where the experiment will be conducted.

The M-44 is a spring-loaded device that forces sodium cyanide into the mouths of predators when they take the bait. The Humane Society of the U.S. had filed a motion with the U.S. District Court in Washington, D.C., claiming the device is "inhumane," but the court ruled against the motion.

## Owls win two

Hondo won a close 3-1 baseball victory over D' Hanis in one of the fastest games on record Thursday afternoon.

Pitchers Gordie Bohmfalk and Ricky Rothe both threw strikes and there were many swings at the first pitch as the two teams wrapped up the game in less than 1 1/2 hours.

Steve Mueller opened the scoring for Hondo after reaching on a fielder's choice and being advanced by Simon Arcos grounder. A passed ball sent him to third, then Mike Groff singled him home.

D'Hanis evened the score in the fifth as Ronnie Koch singled and was advanced by Jerry Lopez. Lee Roy Reyes rapped a hard single to left which scored Koch.

Hondo began its winning rally in the sixth as Steve Mueller reached on an error. Simon Arcos singled, then Mike Groff was safe on a bunted fielder's choice that nipped Mueller at third.

Bohmfolk singled in Arcos, then Alex Mendoza singled to score Groff.

Ronnie Koch, first baseman for the Cowboys, led all hitters with three singles in three trips to the plate. Gordon Bohmfalk had two hits for the Owls. D'Hanis had five hits and four errors.

The Owls collected six hits, committed no errors. Winning pitcher Bohmfalk walked none, struck out none in his five-inning stint. Reliever Raul Dominguez came in for two innings and struck out one, walking none.

D'Hanis' Ricky Rothe went the distance and also did not walk a batter.

Hondo rallied in the sixth inning to turn around a losing situation at Pearsall Tuesday afternoon. Trailing 2-0 since the first inning, Hondo awoke in the sixth with three hits and two walks which made the score 3-2. Each side added a run in the seventh, and Hondo won 4-3.

Gordon Bohmfalk struck out four Mavericks while walking only two to take the victory for the Owls. For the losers, Juan Jasso went the distance, walking four and striking out three.

In the sixth Steve Mueller walked with one out, then was advanced by Simon Arcos' single. Another single by Mike Groff scored Mueller. Bohmfalk walked, then Alex Mendoza singled to score Groff and Bohmfalk.

In the seventh, Richard Coronado led off with a single and stole second. He scored on an error by the pitcher as Simon Arcos was hitting.

Hondo batters collected six hits in the game to four for Pearsall. Leading Hondo hitters was Alex Mendoza with two singles, and Mueller, Arcos, Groff and Coronado each added one.

For Pearsall pitcher Jasso helped his own cause with two singles, and Dallas Collins and Richard Garza added one hit apiece.

Each side committed six errors.

Tonight the Owls will entertain Medina Valley in a 7:30 p.m. game at Hondo High School field. Tuesday, April 16, the Owls will go to Cotulla for another district game--the final one of the first round of competition.

Carrizo Springs had third place followed by Cotulla in fourth position.

The Hondo girls took fifth place and Devine came in last.

The first day of competition for Hondo was as follows: Hondo vs. Carrizo -- scores 2-15, 15-8 and 5-15. Karen Reinartz was high point with 13 points for the three games. Sandy

Garcia scored four.

Hondo vs. Cotulla -- scores 14-16 and 13-15. Top scorers were Lucy Garcia and Nancy Lange with six points each.

Karen Reinartz and Glenda Raymond tied with five points each.

Hondo vs. Medina Valley -- scores 8-15, 15-9, 2-15. Lucy Garcia and Glenda Raymond topped Hondo's scoring with seven points each followed by Karen Reinartz with five and Nancy Lange with four points.

Friday's competition: Hondo vs. Pearsall -- scores 7-15 and 4-15. Glenda Raymond was high with five points.

Hondo vs. Devine -- scores 15-6 and 15-2. Karen Reinartz was high with ten points. Lucy Garcia followed with eight points.

## Little League sends distress call

"Somewhere, someone has a Little League uniform," says Hondo Little League President Al Rowlett.

"Apparently they were

not all turned in after the 1973 season. We need the missing uniforms to complete the assignments to the 1974 teams."

According to Rowlett, some boys will have to play without uniforms if the League does not get them all back. They appeal to all 1973 participants to help in the search for the suits and return them.

No questions will be asked upon their return.

If you find a "missing" uniform, turn it in to Albert Rowlett or Henry Nietenhoefer. Either of them can make sure it gets into the hands of a 1974 player.

There's nothing worse than a warm-weather cold, just ask the person who has one. A quick change in temperatures can result in a cold that lingers on for weeks and makes you really miserable. And all of this suffering occurs just when spring has sprung and you want to be feeling great.

It is a good idea to remember that just as quickly as it gets warm one day it may get cold again the next. Don't be too quick to put sweaters into storage. If a simple cold does cross your path we can recommend medication to help you feel good again.

## Owls win two

Hondo won a close 3-1 baseball victory over D' Hanis in one of the fastest games on record Thursday afternoon.

Pitchers Gordie Bohmfalk and Ricky Rothe both threw strikes and there were many swings at the first pitch as the two teams wrapped up the game in less than 1 1/2 hours.

Steve Mueller opened the scoring for Hondo after reaching on a fielder's choice and being advanced by Simon Arcos grounder. A passed ball sent him to third, then Mike Groff singled him home.

D'Hanis evened the score in the fifth as Ronnie Koch singled and was advanced by Jerry Lopez. Lee Roy Reyes rapped a hard single to left which scored Koch.

Hondo began its winning rally in the sixth as Steve Mueller reached on an error. Simon Arcos singled, then Mike Groff was safe on a bunted fielder's choice that nipped Mueller at third.

Bohmalk singled in Arcos, then Alex Mendoza singled to score Groff.

Ronnie Koch, first baseman for the Cowboys, led all hitters with three singles in three trips to the plate. Gordon Bohmfalk had two hits for the Owls. D'Hanis had five hits and four errors.

The Owls collected six hits, committed no errors. Winning pitcher Bohmfalk walked none, struck out none in his five-inning stint. Reliever Raul Dominguez came in for two innings and struck out one, walking none.

D'Hanis' Ricky Rothe went the distance and also did not walk a batter.

Hondo rallied in the sixth inning to turn around a losing situation at Pearsall Tuesday afternoon. Trailing 2-0 since the first inning, Hondo awoke in the sixth with three hits and two walks which made the score 3-2. Each side added a run in the seventh, and Hondo won 4-3.

Gordon Bohmfalk struck out four Mavericks while walking only two to take the victory for the Owls. For the losers, Juan Jasso went the distance, walking four and striking out three.

In the sixth Steve Mueller walked with one out, then was advanced by Simon Arcos' single. Another single by Mike Groff scored Mueller. Bohmfalk walked, then Alex Mendoza singled to score Groff and Bohmfalk.

In the seventh, Richard Coronado led off with a single and stole second. He scored on an error by the pitcher as Simon Arcos was hitting.
